NEED "WORD SEED" NOW

By Multi-Media Director

In a move of possible world changing impact, various cargo distributors have made provision to ship new and used multi-media materials to third world countries. We are receiving **donated new and used multi-media materials** (*Bibles, Reference Materials, Books, Newsletters, Study Guides, Children's Material, Tracts, Song Books, VHSs, Audio Tapes, DVDs and CDs*) for distribution to third world countries, with over 45,000 locations, including libraries, Bible schools, churches and prisons.

Our mission is to support pastors and leaders worldwide in sharing the gospel of Jesus Christ and to disciple believers to become effective intercessors, spiritual warriors and generals in the Kingdom of God for the present end times.

Our purpose and passion is:

1. Evangelism: Soul winning through media materials.
2. Discipleship: Knowledge and Insight
3. Holy Spirit: Empowerment
4. Spiritual Authority: Advancing the military forces in the Kingdom of God.
5. Intercession: Praying out plans, purposes, and operations in this place of authority.
6. Service: Expand countries served, libraries, Bible schools, churches, and prisons.

Future objective: we are believing and asking God to open doors in other churches in which to set up a Multi-Media Donation Collection box.

In partnership with *Berger-Transfer.com*, *Sharon Morey Ministries.org*, and various cargo distributors, the materials are sent to third world countries and distributed to masses of people through a library system. The spiritual seed that you sow produces multiple increases in your heavenly, spiritual banking account which in turn supernaturally increases and multiplies in your earthly realm. You are blessed! The scripture plainly states that you will reap what you sow (*Galatians 6:7*). The seed is the Word of God. Do you have a lot of Word seed setting around your home? If one desires to be a receiver, one has to be a giver. "Give, and gifts will be given to you; good measure, pressed down, shaken together, and running over For with the measure you use when you confer benefits on others, it will be measured back to you." (*Luke 6:38 [Amplified]*) Supernatural increase - God's way - is the only way to get out of debt, get promoted, get a better job than what

We believe for 20,000 pieces a month!

We the believers "having the same spirit of faith, according as it is written, we believe, and therefore we speak." II Corinthians 4:13.

Confession: Go forth Ministry Spirits bring from the North, South, East, and West multi-media materials to the Kingdom of God now to share with our brothers and sisters in 126 countries, over 35,000 locations, including libraries, Bible schools, churches and prisons.

you had before, and that way is to **"sow the seed," which is the Word of God** into others around you. The opportunities are unprecedented at this time. So, get that seed that is sitting under you bed, stored on your shelves, in your closets, in your vehicles, into the hands of people crying out for the word of God to come to them! This is the time to clean house and purge your unused Word supplies at home, in the office, and in your vehicles. This is also a great time to invest, by buying a favorite sermon and sowing it into the Kingdom of God NOW! Thank you for your support!

We the believers "having the same spirit of faith, according as it is written, we believe, and therefore we speak." (II Corinthians 4:13.)

We thank you Lord for going forth with your Ministering Spirits from the North, South, East, and West to bring to the Multi-Media collection box, donated items of the Gospel to be sown worldwide into third world countries as an investment in the souls of people. We thank you Lord for moving upon people and encouraging them to bring in their precious Word seed that has been stored in their homes, and / or investing in new products that will go forth into the earth to preach and teach the gospel to every nation and people group. We thank you for moving quickly on this Lord. We know and thank you Lord that each piece will be heard by masses of people in third world countries. And Lord you say in your word that when we as believers tend to your Word that you tend to our affairs. We thank you Lord for dispatching angels to go forth over our affairs and for bringing us wisdom, memory for the Word of God, favor, ability, skill, professional connections, increase in the body of Christ, knowledge of the Word of God, health, wealth, and promotions. Amen.

Introducing Skype - Getting Connected

By EDIGuys.net
(Sponsors for this month's email newsletter)

Do you have loved ones, friends, professional associates, missionaries or pastors in another state or country you would like to stay in closer touch with, with no cost to either of you? Then Skype is for you! Check it out online.

If you're on the internet at all, then you probably already know what Skype is; but are you using it?

And, for those of you who are new to the internet, then here's some preliminary background. Skype is basically a way to call anyone in the world - for free! Well, anyone who has a personal computer (PC) or a Skype-capable phone. This will work only if both parties are Skype users.

Question: So, How Do I Get It?

Answer: You go to www.skype.com and download it. It only takes a few minutes to install it on your PC and as soon as you register a "call-name" it is ready to go. It is that simple. Seriously.

Question: OK, But What's the Catch?

Answer: Nothing! It's FREE to create a call name and free to call anyone else with Skype. No hidden charges. No expiration dates. Just free.

Question: Do I Need A Microphone and Headset?

Answer: Possibly. These days the majority of computers come with built-in microphones and speakers and that's all you would have to use. If a headset is needed one may be bought at a computer store.

Question: How Do I Make A Call?

Answer: You just log into Skype, click on the contact you want to call, and press the call button. Skype will then ring them up - just like a phone - and they can answer. Just like a real phone. Really.

Question: This Is Too Weird. I Prefer A Phone.

Answer: Guess what? They sell USB phones now. Take it and connect it to a USB port on your computer and you're ready to go. Or, you could buy a Skype-enabled cordless phone handset which will divert calls to something like a cordless phone. So, don't let the microphone / headset thing put you off.

Question: What's The Sound Quality Like?

Answer: I'm sure that the quality of your speakers (or headset or handset) will have something to do with it, but I can honestly tell you it sounds very phone-like on my PC.

Questions: What Else Can I Do For FREE On Skype?

Answer: You can Cam-Call. Yes, all you need is a camera. Then, just select that option and you're ready to go. You can also instant message (IM), though I'm uncertain as to why that would be preferable.
